1. GENERAL INFORMATION. a. This pamphlet is a list of OLY 7 organizational spare parts and organizational equipment which are Sul C issued to the using arm or service for performing 1st and 2d echelon 13 maintenance. It supplements Tables of Organization and Equipment, Tables of Basic Allowances, and Tables of Allowances. Since it must reach all organizations and establishments concerned, special X.w. attention should be given to its distribution.

b. The Note Symbol Column contains reference symbols which are explained under the heading "NOTES," These symbols may be letters, such as a or c; characters, such as % or #; or SNL Designations, such as H-1 or J-1.

c. For full information relative to the Ordnance Supply Catalog, the procedure followed and the principles employed in its compilation, together with the purposes and uses thereof, see ORD 1 Introduction, ORD 2 Index, and the Ordnance Provision System Regulations (OPSR).

2. PLAN FOR MAINTENANCE. Maintenance operations to be performed in each echelon are indicated by the availability of spare
